Check Source Credibility

Grades 6-7 | Research and digital literacy | On grade level

Learner: _____ Date: _____

Use the four checks to evaluate one source: author expertise, evidence, date, and purpose. Record what you know and what is missing.

SOURCE TITLE, AUTHOR, AND DATE

AUTHOR EXPERTISE OR ORGANIZATION

EVIDENCE, LINKS, OR CITATIONS

PURPOSE, POSSIBLE BIAS, AND FINAL JUDGMENT

Grown-up note: Credibility depends on the question and context. Strong sources make authorship, evidence, date, and purpose clear and can be checked against other reliable sources.
