Cut Along Gentle Curves

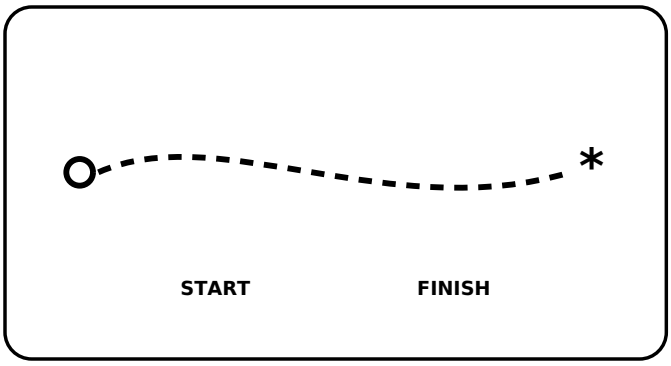

Pre-K-Grade 1 | Scissor skills | Curved paths | Ink-Saver B&W

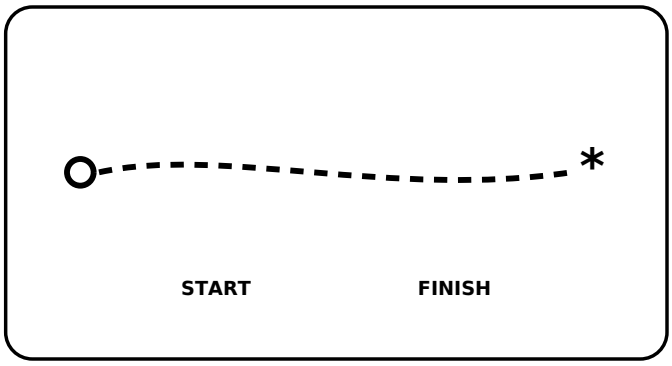

Learner: _____ Date: _____

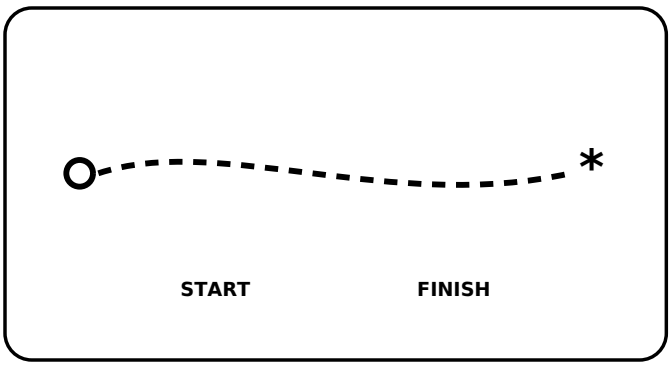

A grown-up prepares child-safe scissors and watches closely. Start at the dot and cut toward the star. Stop and rest as needed. A helper may hold or turn the paper.

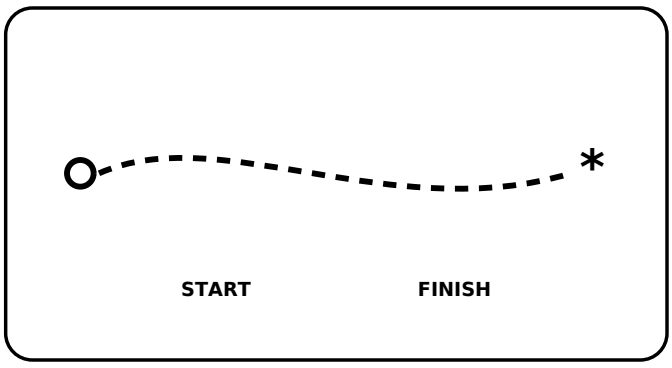

Grown-up check: Each path begins at the dot and ends at the star. Focus on slow opening and closing, not perfect accuracy. Adult supervises scissors and may pre-cut the six practice cards.
