Cut and Build a Pattern Caterpillar

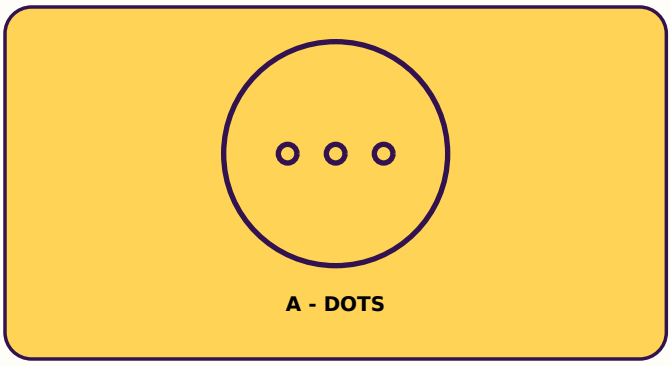

Pre-K-Grade 1 | Scissor skills | Repeating patterns | Color

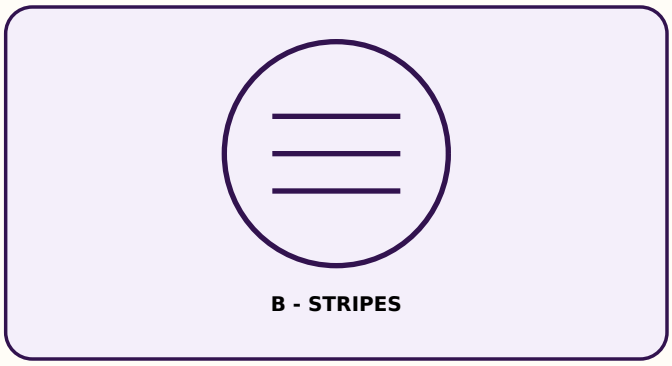

Learner: _____ Date: _____

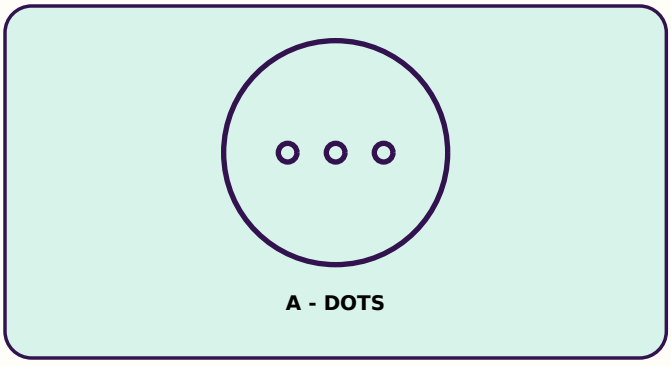

A grown-up prepares child-safe scissors and watches closely. Cut out the six big circles, then arrange and glue or tape them in an A-B-A-B-A-B pattern. Match letters and marks; color is optional.

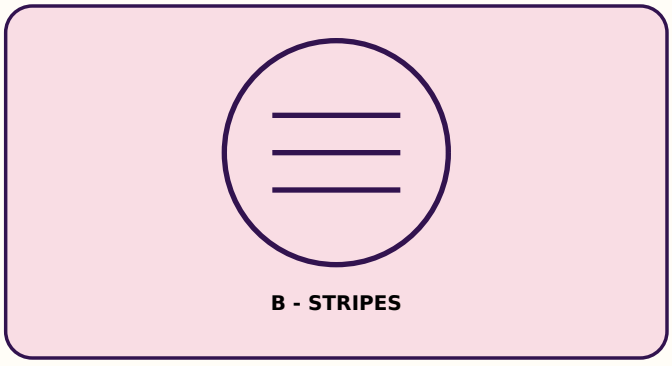

Grown-up check: Suggested order: A-B-A-B-A-B. The A circles have dots and the B circles have stripes, so the activity never depends on color. Adult supervises scissors and may pre-cut every piece.
