Doubles and Near Doubles

Grades 1-2 | Addition strategies | Developing

Learner: _____ Date: _____

Use a doubles fact you know. For a near double, add or subtract one. Show with counters, a drawing, or an equation.

5 + 5 = __

5 + 6 = __

7 + 7 = __

7 + 8 = __

9 + 9 = __

8 + 9 = __

Grown-up check: 10; 11; 14; 15; 18; 17.
