Loop Around the Dots

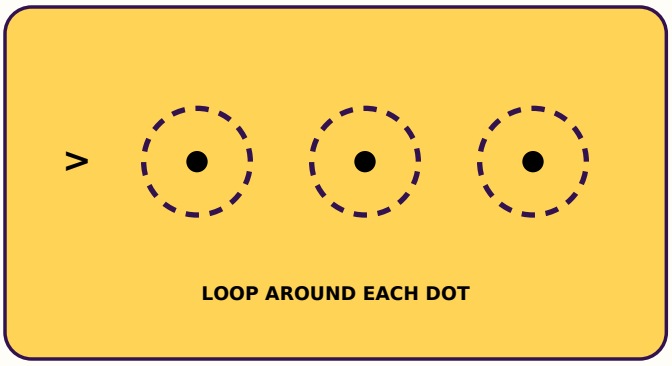

Preschool-Grade 1 | Pre-writing | Visual-motor paths | Color

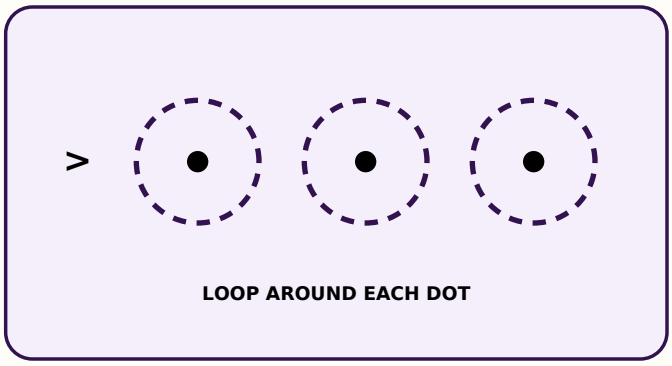

Learner: _____ Date: _____

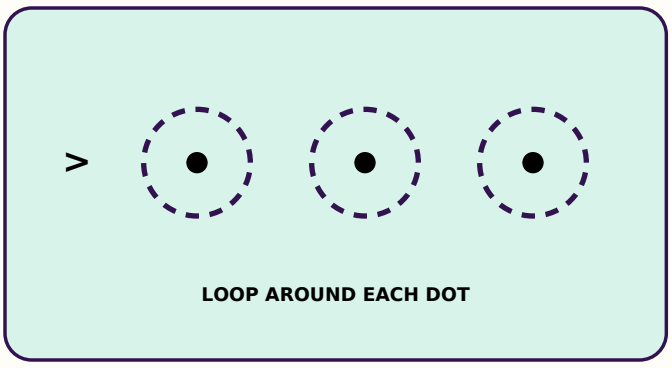

Start at the arrow. Trace or draw a loop around each dot, moving left to right. Use a finger, crayon, marker, eye-gaze, or helper-guided movement. Stop and rest as needed.

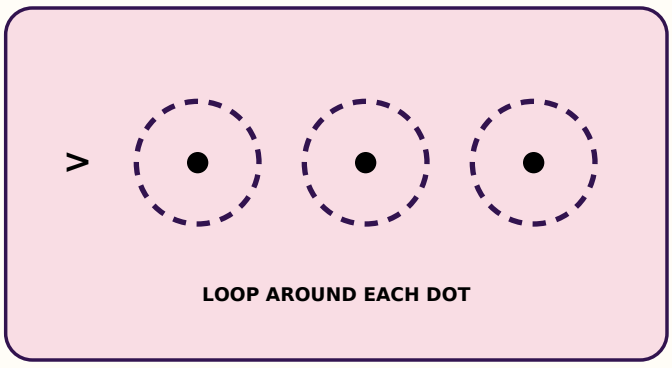

Grown-up check: Each row moves left to right and loops around three dots. Accuracy is not required. Large circular motions, pointing, eye-gaze, or directing a helper are valid alternatives.
