Seedling Main Idea and Details

Grade 2 | Plant science | Reading comprehension | Ink-Saver B&W

Learner: _____ Date: _____

Read: A young seedling needs light, water, air, and room for its roots. Leaves use light, while roots take in water. Too much or too little water can make growth harder. Answer from the text.

TRY IT

Complete all six prompts. You may write, point, explain aloud, or use a scribe.

1 **What is the passage mostly about?** _____

_____

2 **Name two seedling needs:** _____

_____

3 **Which part takes in water?** _____

_____
